

Appl. No. : 09/331,631
Filed : June 21, 1999

REMARKS

Further to the amendment of May 18, 2004, an error was identified in Claim 46 which left the final claim language at question. Claim 46 has been presented herein to reflect the previous amendment in the response of October 3, 2003. In this amendment the claim was amended to include an article at the beginning of the sentence, "A". Previously the claim did not contain an article. Because the amendment of May 18, 2004 has not yet been entered, the claims reflect the changes that were made in that amendment. Thus, the claim set enclosed herein is the correct listing of the claims. The changes made to the Claims by the current amendment, including ~~deletions~~ and additions, are shown herein with deletions designated with a strikethrough and additions underlined. No new matter has been added herewith.
